## Save the date and volunteer

- Save **Friday, May 6<sup>th</sup>** to make an online donation to SYCBOOSTERS.COM
- We need volunteers who can help from home to share the GLY message to friends and family via social media posts, e-mails, texts, and every way possible to help us get the word out. Training and messaging provided.
- Contact Kristi Friend at [kristifriend@gmail.com](mailto:kristifriend@gmail.com), Dana Paulk at [dayntz@gmail.com](mailto:dayntz@gmail.com), or Tom Davidson at [tom.davidson2642@gmail.com](mailto:tom.davidson2642@gmail.com) to volunteer.

Coming Soon ...

A fresh look to our website.

## Can You Help?

We need a volunteer to submit the paperwork for a \$500 Constellation Energy grant available in February. The applicant must be a Constellation Energy customer. Please check your electric bill to see if Constellation Energy appears anywhere on it. If it does, Mary Pohlig can walk you through the application process. It is simple and does not require much time, but will make a big difference to the band.

## Our Student Spotlight:

This month we are featuring senior Shantel Dubs. Shantel is active in Color Guard, Marching Band, Concert Band, Full Orchestra and Choir. She has played flute in the band since 4<sup>th</sup> grade and has been active in choir since 5<sup>th</sup> grade. Shantel lives in Glen Rock with her Mom, Kimball, Dad, Brian, and a cat.

Shantel works at Texas Roadhouse and is also a supervisor at Wendy's. She has been accepted at York College and plans to major in Medical Humanities. She intends to continue singing in choirs.

Shantel is the longest-standing member of the color guard. However, she liked to keep people guessing who the newest member of the guard was by changing her hair for almost every performance.

Shantel shared that being able to perform with the Susquehannock Marching Band will always be one of her fondest high school memories.

**Come out and support the Indoor Guard at one of their upcoming competitions. See page 1 for dates and times.**

**The band room is being vacated as part of the SHS renovation project. The new, temporary location will be the auxiliary gym. We're taking the memories with us as we go.**

## Our Instructor Spotlight:

Corey Mohar serves as one of the marching band drumline techs, working mainly with the snare drums and quads. He is also the visual coordinator for the Indoor Drumline program. Corey has been working with Susquehannock since 2018. Outside of working closely with the marching band, Corey can be found teaching private lessons in Shrewsbury!

Corey is a proud alum of Susquehannock High School, having marched in the band for their 2009 to 2012 seasons. During his time in high school, he was taught by none other than his now fellow percussion staff members – James McGarvey and Brian Harris! In his senior year, after a very selective audition process, Corey had the honor of being chosen to march in the 2013 United States Army All-American Marching Band as one of 5 snare drummers in San Antonio, Texas. After graduation he went on to march in the Penn State Marching Blue Band for four years, getting to travel to, and perform at, the Rose Bowl game with the team in 2017. He also performed on drum set with the Reading Buccaneers during their championship season in 2014. In the summer of 2018, Corey received his Bachelor of Architectural Engineering degree from Penn State University and has been back in York County since.

Corey now works as a Structural Engineer with Carroll Engineering, Inc., having only one more year before he is qualified to take his P.E. (Professional Engineering) exam to become an officially licensed engineer. When he is not working or teaching, he can be found playing video games with his friends, playing ultimate frisbee, or working on his house.

## Our Supporter Spotlight

Titanium Athletics is Southern Pennsylvania's newest multi-skill recreational facility. They offer everything from tumbling for cheer & gymnastics to batting cages and multiple bounce houses. Titanium Athletics is a fully-equipped gym that includes a full competition spring floor, large tumble tank, batting cages with 45-75mph pitches and multiple bounce houses, all in their updated 14,600 square foot space.

They also boast an 800 square foot parent viewing area that overlooks the spring floor and batting cages so kids can learn and grow while their parents can relax and socialize with each other.

Looking for a way to host a fun and active party? Titanium would love to help you host it in their private event room.

Located in Glen Rock. It's easy to visit for a few hours, schedule continuing work outs, or plan your next fun, active party! Visit them online to reserve your spot today <https://titaniumathletics.com/>

And now for the funny ....

### THE BIG PICTURE

BY LENNIE PETERSON

MAESTRO KAPLIN LEARNS THE HARD WAY THAT "PLEASE PLAY THAT PART LOUDER" IS A PHRASE NEVER TO BE SPOKEN TO THE TROMBONE SECTION.
