CHAMPIONS don't become champions

when they win the event but in the hours, days,
weeks, months and years they spend preparing for it.

The victorious performance itself is merely the
demonstration of their championship character.

Student Spotlight

This month we are featuring senior Dan Scott. Dan plays the trumpet and just finished up his fourth year of Marching Band. He is also active in Concert Band, Jazz Band, Brass Ensemble, Full Orchestra and Pep Band. Dan recently qualified for District Band and plans to audition for District Jazz Band.

Dan's favorite band experience was Championships at Hershey this year.

Dan has a brother, sister and golden retriever. His mom, Anne, has been one of the band photographers over the last few years.

In his spare time, Dan is learning to play the guitar and enjoys playing video games and watching movies.

A Big Thank You ...

to all of our AWESOME parents, grandparents and band supporters for contributing to another amazing Marching Band season. We say it time and time again, but our award-winning program would not be nearly as successful without the love and support of our band families.

AND

to Mr. Poole, our tireless and fearless leader, and our amazing and talented band staff who give their heart and soul to our program each year.

It takes all of us working together to succeed.

Indoor Percussion

If the end of Marching Band season has got you down, come out and see what Indoor has to offer. The group rehearses at Friendship Elementary and competes with other high school troops in the KIDA circuit.
